Meltem,
I finally made the updates! Sorry it took so long.

Sara

Subject: Crypto Reading Club - webpage

Hi Sara,

I appreciate if you can add

- "February 3; Dustin Moody*; Post Quantum Cryptography" to upcoming talks,*
- "January 20, Sharon Keller; *Cryptographic Algorithm Validation Program*" to upcoming talks (You can actually change the date from December 9 to January 20, this talk has been rescheduled)
- "January 15, Jean-Phillippe Aumasson, *Password Hashing Competition*" to previous talks.
- "January 13, Jacob Alperin Sheriff, *Lattice-based cryptography*" to previous talks.
- "December 23, Rene Peralta, *Random thoughts about randomness, primality, and covering arrays*" to previous talks.
- "December 9, Meltem Sonmez Turan, Magnus Find, *Multiplicative Complexity*" to previous talks,

to our webpage, whenever you are available.

Thanks again,
Meltem
