Yes, that's right. We talked to him yesterday, and that is what he thinks is best.

Dustin,

Matt mentioned that you are putting this out for public comment so I don't think it needs to go to Ed. Does that make sense?

Thanks,

Donna

Donna,

Can you use the attached version of the NISTIR (instead of the one on the previous email) to send to Ed? This one is cleaned up, with the comments deleted. Thanks,

Dustin

**Subject:** PQC NISTIR version 2

Everyone,

I've incorporated the revisions and edits we discussed regarding the comments received from Donna and the NSA. Ray also included some new text in section 4. I've highlighted most of the changes to make it easy to see. Please review and make any comments by next Wednesday, January 20<sup>th</sup>. We want to publish this NISTIR by the end of the month if possible. Thanks!

Dustin
