Dustin, Donna,

I think the three of us are all available at 11:30AM today. I suggest we meet in Donna's office then.

Donna,

My schedule is much more free than yours. It looks like you'll be at NIST tomorrow (Thursday)? Anytime tomorrow works fine for me. Please let me know when would be convenient for you. Thanks,

Dustin

Dustin,

I hope you and your family had a wonderful holiday. I had a chance to review the draft NISTIR on quantum while I was home and I have some comments. If you have time, I would be happy to discuss them with you.

Thanks,

Donna
