Hello, everyone,

I hope everyone is safe and well. It seems that you were unlucky with winter weather again this year.

The harsh conditions have passed here in Louisville. The snow has melted; only a lonely snowman is left.

This morning my daughter asked my mother-in-law in Romanian to buy more snow! I'm thinking I can just take her to Gaithersburg.

Cheers,
Daniel

Subject: PQC NISTIR version 2

Everyone,

I've incorporated the revisions and edits we discussed regarding the comments received from Donna and the NSA. Ray also included some new text in section 4. I've highlighted most of the changes to make it easy to see. Please review and make any comments by next Wednesday, January 20th. We want to publish this NISTIR by the end of the month if possible. Thanks!

Dustin
