Thank you. I can't really think of other crypto sites.

You got it. I'll take care of it today. Are there any other crypto-related sites, where you go to for information, that I should look into for publicizing?

Perhaps we should add NIST in there.   "The 1st NIST PQC Standardization Conference"

Hey Dustin,
I was going to add the April 2018 conference to the IACR calendar @ https://www.iacr.org/events/

Is the conference going to be known as "The First PQC Standardization Conference"?
