Sure, let's try to get it done in 1 hour. We might as well try to be efficient this time. Thanks!

Yi-Kai,

Our conference rooms are booked starting at 11am, so I scheduled for 10am-11. If we think we need longer, we would need to start earlier I guess. Do you think 1 hour is enough?

Hi Dustin,

Thanks, I will see if I can be around for the IETF call...

I think it could be useful to have another meeting to revise the CFP. Maybe next Tuesday? Would that work?

Thanks!

Yi-Kai,

We actually had to move it to next Thursday (3/31) at 9am.

Do we want to schedule another PQC meeting? Or we will just revise by email after we all finish writing?

Dustin

Hi Dustin,

Unfortunately I don't think I can join -- I'll be at UMD on Wednesday. Sorry about that! Indeed, I will have to ask you about it later -- thanks!

Yi-Kai,

We're planning on meeting Wed. morning at 9am in B-345 for the call, if you'd like to join. If you aren't available, that's fine. I'll take notes.

Dustin
