Subject: PQC FRN update
Date: Thursday, July 28, 2016 9:05:05 AM

Everyone,

Small update. It looks like the FRN will be officially posted next Tuesday, and not Friday like we thought. It will be available "for inspection" on Monday, so our CFP will be posted on Monday on our website. I will post a message to the PQC-forum letting everybody who signed up on the mailing list to know. The comment period will end 45 days later, on Sep. 16.

Dustin
