10-11am will probably work. (I am 90% sure about it.) If not, I can stop by to see you at 1pm. :)

Would 10-11 work? Otherwise, we'll try 1pm I think.

Hi Dustin,

I'm at UMD today, but I'll be at NIST tomorrow. (Tomorrow I'll probably be free in the morning, but afternoon is better for me.)

Thanks!

I'll be at NIST tomorrow, unavailable from 11:30-12:30, and available otherwise.

I think it would be a good idea to talk about some of the posts we've had this last week or two in the pqc-forum. Can we get together for a short discussion today or tomorrow (for whoever is available)? Most people's calendars looked pretty open, but I didn't know which days Yi-Kai/Stephen are here at NIST vs. U of Md. Let me know. Thanks,

Dustin
