Hi Dustin,

I'm sorry to bother you, but is there any possibility of moving the PQC meeting to start 30 minutes later, at 10:30 instead of 10am? (I have a conference call with the QCrypt steering committee, and the only time that worked for them was 10-11am, with me leaving early at 10:30.) Alternatively, I could chat with you about PQC stuff from 9:30 to 10am?

Sorry about that!

Hi Dustin,

Ok, I will try to think about the evaluation criteria. Unfortunately I have to be at UMD that day, but can I join the meeting via google hangout? (That day is unusual, my regular schedule is to be at NIST on Tuesdays.)

Thanks!

Yi-Kai,

I scheduled our next PQC meeting for Tuesday the 8<sup>th</sup>. Hope that is fine. Ray and I (and maybe Daniel) can report on PQCrypto. Can you be ready to help us know what the next steps we need to take on the evaluation criteria are? Thanks,

Dustin
