Hi Dustin,

Hmm, I just looked at the current version of the CFP. Larry asked if we needed any more text from him, but I don't think we do, at least nothing big.

I haven't heard anything from Daniel. If I have time on Wednesday, I may just rewrite Daniel's section myself.

Thanks for setting up the meeting on Thursday. We should definitely discuss the second half of the CFP in more detail.

Thanks!

Hi Dustin,

I could meet on Friday at 10am. Or we could do Thursday, and just sit in the cafeteria. Er, why don't you decide?

In the past I've reserved rooms in building 101 using this system:  
<https://inet.nist.gov/pao/services/room>

Thanks!

Yi-Kai,

I checked with Sara for a room for Thursday, but she said there weren't any ones available

close. So I'm not sure what to do. Do you have access to any rooms or anything? Or should we choose a different time? She said Friday at 10am is open.

Hi Dustin,

Unfortunately I'll be at UMD on Mon.-Wed. this week. Can we meet on Thursday instead?

I'll try to look at the CFP later today, and see what we need to do...

Thanks!

Yi-Kai,

Did Daniel (or Larry) send us any revisions? I was thinking maybe we could meet tomorrow (for whoever is around), and continue to discuss some of the remaining unsettled issues. What do you think? It's late notice, but we could just ask whoever is able to make it.
