Sara,
Ray sent me some minor changes to the FAQ. The changes are all tracked, so you can find them. Hopefully they aren't too difficult to make. Thanks!

Subject: FAQs

Dustin,
I just finished with the formatting of the FAQ page. Because of the fact that you click on the question to go to the answer, there are A LOT of *href* and *anchor* tags throughout the document.
If you update the current FAQs, please use track changes so I know what's changed and can just make the changes. Or just provide new questions if there aren't changes within the current FAQ.
Sara
