OK, I will incorporate these changes this morning and create a new PDF version.  
Keep me posted on the posting. Tomorrow is actually my AWS day off, but I will be around until about 10:30 and then we have plans for the afternoon.

Sara,

The NIST counsel's office sent us a few changes. They are marked in the attached file (final CFP 4.8 tracked changes). I also included a version (final CFP 4.8) without the tracked changes. I accept all their suggestions, so go ahead and make these final few changes.

I haven't heard from Andy if we can post today or tomorrow yet. So hold off posting until we hear.

Thanks!

Dustin
