Hi, Donna and Andy:

Thanks for the opportunity. I saw Donna's response. We will put together a presentation.

Subject: NAS forum for cyberresiliency

Lily and Andy,

I have been working with a NAS Forum on Cyber-Resilience Forum, chaired by Fred Schneider http://sites.nationalacademies.org/deps/cyber/index.htm. (I think you have spoken with them last year.) They have invite us to present on our quantum resistance crypto program. Would you or someone from the team be interested in presenting for NIST at the Feb 6-7 meeting in DC? It is a great group to engage and there is often thoughtful discussion.

Thanks,

Donna
