Hi, Daniel,

This is what I received a few days ago from you. Now it seems that you indicate that you will only attending NIST Conference. Please clarify.

Hi, Lily,

I recall that you sent an email regarding attendance to PQCRYPO and the PQC workshop. Since my situation is different from everyone else's, I am curious if there is anything different I will need to do. I would like to put in my travel request whenever it is convenient. I think that **I should attend both.**

Cheers,
Daniel

Everyone,

For those attending the PQCrypto workshop (myself, Rene, Carl, Lily, Daniel, Ray, Bill F.), you should register yourself for the workshop.

For those attending the NIST PQC standardization workshop, Vickie will register us. If you haven't already told her you plan on attending, please let her know.

Dustin
