Hi Dustin,

I haven't forgotten! I'm working on them right now. They should be ready by Friday.

Best,
Gorjan

Gorjan,
    Just wanted to check back with you about the checklists, and that you hadn't forgotten about them. I'm starting to work on compiling our reviews for each submission, so we can reply back to each team on time. Thanks!

Gorjan,

If it's okay with you, I'd like you to do some more reviews for our PQC project. I'd already asked you to do WalnutDSA, but can you also do:
GuessAgain
Lotus
NTRU (do 2 checklists, one for their KEM/Encryption scheme and one for their signature scheme)
Titanium
IEC

Let me know if that's alright. Once they're done, go into the excel spreadsheet on the main Documents page of the Sharepoint site, and put your name in red, so I will know. Thanks,

Dustin
