I think we can just stay on the ITL MC meet if that works

Will this need its own Teams meeting, or will you all just stay on the ITL MC Teams for a half hour longer?

**Subject:** A quick (or medium length) talk about current PQC status

Chuck and Kevin,

If possible, could we 3 stay after ITL council tomorrow and go over some pending items on PQC.

Issues are:

- Current “asks” from other USG crypto agencies and how that might play out

- IP issues and where we are

- Anticipated time lines.

Thanks

Matt
