Zuzana,

I do not think so. Gorjan may attend. But his travel is not handled by us.

Hi Lily,

Do we have more people attending this conference? So far, I know about Carl and Daniel Apon.

Thanks,

Zuzana

Subject: [Itl_grpsecy] Group Travel Events for Vetting

Good afternoon,

I have received notification of one ADLP group travel events for vetting. Please query your division to see if anyone is planning to attend the travel events referenced below.

If your division has staff planning to attend, please provide me your response and update your division travel spreadsheet by **COB on Thursday, April 25, 2019.** If your division will not have staff attending, please let me know by the same date.

Thank you in advance for your assistance!
Melissa
