---

Kerry,

Yep – happy to do it. I should be here on 7/16.

**Subject:** summer seminar

I'm getting the summer student seminar series ready, and I'm looking for volunteers. Would you be interested in giving a 15-20 minute talk on the PQC project on Tues 7/16? More information about the series is in the attachment. Please let me know if you are interested and available.

Thanks!

-Kerry
