I was sending you an e-mail by forwarding the email subject "Cyber Seucrity for Defense-Speaker Information"

It kept bouncing back. I do not know whether it is because the original e-mail is not allowed to forward or what.

--

Hi, Dustin,

I think they reached both of us. Are you interested and available? If you are, then you will go. Otherwise, I am happy to go. I am available on those dates.

Lily
