Thinh,

It is a good start. I made some small revisions and comments. Please continue to work on the paper – it is progressing nicely.

Dustin

Subject: Re: update

Hello;

I'm at work today. I'll try to get the paper done today. I modified the formula for the 3-isogeny with kernel generated by $(1:-c:0)$ a bit for it to always be defined over k by not involving w .

Thinh,

How are things? Any progress? Let's finish up this paper if we can!

Dustin
