Given the snow day situation, what number do we call into for the conference call?

Tomorrow may be a snow day and we will telework. Maybe we do not need WebEx if we do not show slides.

1. I will open the meeting and tell about the purpose for the conference call.
2. Dustin will brief about second round selection and big picture.
3. Everyone may answer their questions (general or WalnutDSA specific, provide details, etc.) and ask about their plan, approach, etc.)

If you have any questions, please discuss. Just in case you need to reach me, my number is (b) (6) .

Lily

We will meet in a conference room and join through WebEx.
