Dustin,

Apologies for confusion with my request:
It's the signature release form for:

Speaker: Dr. Daniel J. Bernstein, University of Illinois at Chicago and Ruhr University Bochum
Date: Friday, January 15, 2021

Not, Jao, that one is fine.

Thank you,
Thelma

Thelma,

I've attached the waiver and the slides corresponding to this talk. Not sure which one was corrupt. Hope this is what you need.

Dustin,

I just discovered this file is corrupt.
Hopefully you still have a copy of it in your records.
It's for the PQC seminar held on January 15, 2021.

Thanks, Thelma

Thelma,

Hello - I'm in the Crypto Tech. group of the Computer Security Division. We recorded a seminar, that needs to be processed. We did one of these a few months back, and you helped me with it. I've attached the speaker waiver, the video file, and included some details below. Let me know if you need anything else. Thanks!

Dustin Moody
