Hi Dustin,

Is it OK with you if I make editorial changes to this on sharepoint?

René.

Subject: round 4 announcement text

Hey all,

I've written up some text we could use for the pqc-forum for our announcement. It's in the attachment, as well as on sharepoint:

 [Round 4 Announcements.docx](#)

It also has some instructions for round 4 teams with tweaks (basically what we've said each round).

Anyway, please take a look and make changes or suggestions. Thanks!

Dustin
